

VACANCY INTERNATIONAL EVENT COÖRDINATOR (M/V)

Are you fond of board games, trading card games, competitive gaming or Esports? A passion for events or gaming tournaments and ready to conquer Europe? No challenge too small and wall too tall?

Answered YES 3 times?

Then this vacancy is really something for you and you might be the one we still miss within our team!

TOURNAMENTCENTER IS LOOKING FOR AN INTERNATIONAL EVENT COÖRDINATOR! (M/V)

tournament what?

tournamentcenter provides services and products for competitive gaming events in Europe and North America. In addition to organizing large scale tournaments (+50 events per year with 50-5000 participants per year), we also provide services worldwide to other organizers and game publishers. Just think of Pokémon, Dragonball, Magic, Yu-Gi-Oh!, and Flesh and Blood.

Your role

You are responsible for organizing and coordinating tournaments in Europe.

You lead the event from start to finish, both executively and administratively.

It is your child that you know how to raise! Location scouting, hotel booking, drawing up floor plans, material lists, crew planning, budget and logistics coordination are just a few things that you can perfectly combine with an eye for detail and innovation.

You have already swam through a lot of water and remain calm during deadlines and moments of stress.

You are the face of tournamentcenter and you represent our values.

So it goes without saying that you are professional, sociable and smiley.

You are there for everyone, and you go to great lengths to create a unique experience for the participants, employees, sponsors, ...

VACANCY INTERNATIONAL EVENT COÖRDINATOR (M/V)

You definitely need this.

You can explain it very well (verbally & in writing) in English and Dutch, additional languages are an asset. You have an eagle eye and nothing passes you by without noticing. Experience in Esports is a big plus!

Since our events are not close by a B driving license is more than necessary.

You are a real eventer with the right positive attitude and realize that 9 to 5 can be 5 to 9 on event days. A body with hands and feet, and on that body a head full of practical and logical insight.

Our offer

You will receive a full-time contract from us for an indefinite period with room for training and managing super nice colleagues. A great place to work with a lot of team activities during and after working hours. We would be happy to discuss your salary and other benefits with you during a meeting.

Cool and you're jumping of enthusiasm?
